

You're Invited!!

Join us for a WEEK of FREE events to celebrate our Grand Opening!

Located In the SOBO district, we can't wait to show you what we've got in store for the Colorado fitness scene!

ClubCal is the brainchild and creation of sister duo Crystal & Holly Hatch (Crystal is the former owner/co-founder of Awaken Gym).

We believe in developing and sustaining healthy relationships with our bodies AND community.

Our program developers (aka head coaches) Grace Rockwell and Goncalo Martins are a BIG part of our vision and mission. Their extensive knowledge of science and fitness, alongside their leadership and tenure as coaches are what make them valuable leaders of our team. Not to mention, our entire crew of coaches were chosen because of their passion, enthusiasm and talent. We're Impressed by each of them, daily.
